

I oppose the Banks being allowed to overrule Indiana's do not call list. If I want a service from the bank I will contact them. Over three million HOOSIERS have signed up for the do not call list and are very upset that someone is trying to overrule our right not to be disturbed by someone selling something that we are not interested in. It covers much more than a Federal rule and we want to retain it. Please do not disregard our rights to choose.
